The Virginia Manufactured Housing Board (VMHB) promulgates the licensing regulations to carry out the requirements for licensing of manufactured home manufacturers, dealers, brokers and salespersons. The VMHB is comprised of nine members, appointed by the Governor, representing specific groups designated in the enabling legislation. Two members must be manufactured home manufacturers, two must be manufactured home dealers or retailers, four members should have knowledge of the industry and represent the public, and the ninth member is the director of the Virginia Department of Housing and Community Development (DHCD) or their designee.

The VMHB adopts and, with assistance of DHCD staff, carries out the enforcement of the Manufactured Housing Licensing and Transaction Recovery Fund Regulations. The board is responsible for licensing manufactured home dealers, brokers, manufacturers and the salespersons working for those companies, as well as authorized to receive consumer complaints on manufactured homes and make case decisions as necessary to resolve certain complaints.
