The 500 zip codes below are those in which a household of three (3) or less can be deemed income eligible for the Virginia Rent Relief Program using fact-specific proxy since the median income for households of that size are less than the 2021 HUD statewide low income limit.

For questions about this guidance, contact Elisha Harig-Blaine, Rent Relief Program, Manager at elisha.harig-blaine@dhcd.virginia.gov.
