RE: Virginia Telecommunication Initiative (VATI) Notice of Application

Dear Dr. Holmes:

Hanover County is providing this VATI Application Notice to notify the Virginia Department of Housing and Community Development (VDHCD) that Hanover County may submit one or more applications for the FY2022 VATI grant program.

Hanover County intends to submit a universal coverage broadband grant application(s) for funding to serve the remaining unserved areas in the County. The potential application(s) will include various geographic areas across the County that have been identified as being unserved, including those areas that have been preliminarily awarded funding through the Rural Digital Opportunity Fund Auction.

Kevin Nelson, Director of Information Technology, will be our main point of contact for the purposes of the application process, and can be reached at:

P.O. Box 470, Hanover, VA 23069
(804) 365-6336
knelson@hanovercounty.gov

Hanover County understands that this VATI Application Notice is required in order to submit an application for the 2022 Virginia Telecommunication Initiative and that this notice is not binding on Hanover County, any internet service provider, or VDHCD.

Sincerely,

A handwritten signature in blue ink, appearing to read 'F. Harsen, Jr.', with a stylized flourish at the end.

Frank W. Harsen, Jr.
Deputy County Administrator
