RE: 2022 Virginia Telecommunication Initiative Application Notice for Spotsylvania County

Dear Dr. Holmes,

I am providing this VATI Application Notice to notify the Virginia Department of Housing and Community Development that Spotsylvania County and several internet service provider companies may submit an application for the FY 2022 Virginia Telecommunication Initiative (VATI).

Spotsylvania County and several internet service provider companies intend to submit one or more applications for wired and wireless broadband services, primarily within the Livingston and Berkeley districts of Spotsylvania County. An additional application may be submitted for additional non-contiguous wired services within the Livingston, Berkeley, Chancellor and Courtland districts. A map of the various districts within the County is attached for reference, with under-served and unserved areas identified accordingly.

Jane Reeve, Chief Information Officer, will be our main point of contact for the purposes of the application process, and can be reached at:

Spotsylvania County and the various internet service provider companies understand that this VATI Application Notice is required in order to submit an application for the FY 2022 Virginia Telecommunication Initiative and that this notice is not binding on the entity represented by the undersigned or the Virginia Department of Housing and Community Development.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ed Petrovitch". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
