Zone Activity Methodology

1. Virginia Employment Commission Resource #1: QCEW
www.virginialmi.com
Instructions:
> 1. Click "Industry Data" under the Labor Market Data Column
> 2. Click on "Quarterly Census of Employment and Wages (QCEW)"
> 3. Choose your County or City
> 4. Specify Time Period Window
> 5. Select "Total, All Industries."

This information gives you the number of employers (average establishments) and total employees (average employment) for the region specified in step three and for the time period specified in step four. Although this information is for the entire city use this information to create an average of the number of employees per business. If you can identify the number of new businesses and closed businesses within your zone, you can use the average employee number to justify the numbers you submit on the Annual Report. It is important that you document the process that you use to calculate your numbers and that you remain consistent.

2. Virginia Employment Commission Resource #2: Start Up Firms
www.virginialmi.com
Instructions:
> 1. Click on "LMI TOOLS"
> 2. Scroll down to Industry heading and select "Start Up Firms"
> 3. Specify Locality (Cities are grouped under County heading)
> 4. Click "Apply."

This information provides you the total number of startups in the locality specified as defined by the criteria below which is also found on their website: Setup and liability date both occurred during the quarter; Establishment had no predecessor UI Account Number; Private Ownership; Average employment is less than 250; for multi-unit establishments, the parent company must also meet the above criteria.

3. Virginia Employment Commission Resource #3: Quarterly SES 202 Report
www.vec.virginia.gov
Instructions:
> 1. Available upon request to VEC. Requires a confidentiality waiver, ensuring no individual company's employment numbers will be disclosed to the public.

This comprehensive local business list comes in an Excel document, and must be edited for zip codes/street addresses within the EZ(s). The list only includes companies that pay unemployment insurance, and some businesses are not accurate or may be left off due to physical proximity to another locality. After editing, the excel document is useful for reporting new/expanding/closed businesses, when compared to the previous year's same quarterly report. This report is useful for other economic/community development publications as it lists every local business, physical and mailing addresses, NAICS code, and number of employees.

4. US Census Resources
www.census.gov
Instructions:
> 1. Click on "Local Employment Dynamics" under Business & Industry
> 2. Select "QWI Online" (Quarterly Work Indicators) under the Quick Links Column
> 3. Specify Year, Quarter, and County/City

This will give you information on Job Creation, New Hires, Separations and more for the quarter selected as well as an average of the previous three quarters.
